St Julians Church Benniworth

Sorry, but due to the large area of potential further ceiling falls we are unable to allow unsupervised 'open' church. We are waiting on the survey specification to enable roof and ceiling work.

Delay is due to other churches with problems and lack of specialized contractors. Anyone wishing to, can call to arrange a visit (notice also on door).

Marie Curie Tea Party held on 11th August

A fantastic turn out for the Marie Curie tea party fundraiser

Tea a plenty and fantastic cakes to eat

Along with the lovely music, raffle and tombola all had a great time

A grand sum of **£900** was raised

Acknowledgement from the Marie Curie fundraising team quoted;

“ Every £20 provides an hour of Marie Curie Nursing care, and the service is totally free to patients and their families. Therefore you have helped to provide a further 45 hours of care”.

Massive thanks to everyone that came and donated cakes and prizes

Maggie & Roger Lindley

A Time To Say Goodbye

Sarah, Emma, Madelene and Benjamin would like to thank the many people who offered prayers and support during Paddy's illness. We received many acts of kindness from the community which was appreciated.

We would especially like to thank Revd. Cilla for the time she spent with us and for the funeral service which celebrated Paddy's life. It was lovely to see so many friends afterwards here at Thorngate

Thank you

The Hamp family

Remembering All Saints and All Souls

Our services for All Saints and All Souls this year will be a little different

All Saints will be celebrated on

31st October in St German's Church, Ranby at 10.00 a.m.

Our All Souls Service will be shared with our partnership teams and held in St Mary's Church, Horncastle at 6.00 p.m. on Tuesday 2nd November.

We decided to meet because many of our families live away and to have only a very few people at the service can feel very exposing and hard to bear. Being with a larger group allows for more anonymity and we can still express our feelings but in safety.

I shall, however, be holding a short service of prayers for the departed as follows

Tuesday 2nd November 9.30 a.m. Donington on Bain

10.30 a.m. Scamblesby Church

11.15 a.m. Goulceby Church

Please do come and join us in any of the churches if you wish to remember the people we love, but see no longer

Priestly Ponderings

Remembrance 2021 & Christmas

How will I ever manage to include Remembrance and Christmas in the same letter, I thought? They seem worlds apart, Remembrance, thoughts about the people we love and lose nationally and more locally and, in our families; Christmas, the joy that we get as we meet with our families and friends to celebrate the birth of Christ and the promise that brought to the world.

Then I thought about wreaths. The unity of this simple adornment for our doors unites both Remembrance and Christmas as our poppy flower ones become holly, baubles and ribbons. It is believed that wreaths began in ancient Greece, olive branches were woven into a ring, to show rank and place. The pre-Christians would make them in the spring to denote surviving the winter. Today, the poppy wreath is the symbol of RBL and the Christmas wreath is symbolic of Christian immortality, as the circle and sphere both represent immortality.

Remember is often used in connection with covenants between God and man. After the flood, God set a "bow in the cloud" as a "token of a covenant" to not again destroy the earth by water and "that I may remember the everlasting covenant between me and every living creature on the earth." (Gen 9:12-13). So now, when we see rainbows, we may think of God and remember He loves us unconditionally. God sent his Son, Jesus Christ, in human form so that we might get to know him better and he know us. Christ's ministry demonstrated that unconditional love for us to copy.

At the last supper, Jesus reminded his disciples that the Passover meal – which already was held in remembrance of the Jews Exodus from Egypt - was to be an opportunity for their memory also. Every-time they ate bread and drank wine they would do it in remembrance of Him (Luke 22:19-20). It is the reason that our communion service has such meaning, when we take communion, we are endlessly renewing that covenant with Jesus that we will remember Him. His gift to the world was dying that we might be forgiven for our sins in this world and renewed in the next.

So the tradition of remembering the people we have loved and lost and the people, who, without thought for themselves, gave their lives that we might have freedom in the world, has been well established. At our All-Souls service we take a moment to hold before God the people who have influenced our lives and whose influence continues in our memory. We pray for them and for ourselves and in so doing continue to heal the pain we feel in losing them.

We hold services on Remembrance Day which unite people in memory. They stretch into other countries and people as they too unite in recalling the bravery of the millions who died for our freedom. The wars have continued and we have added to their number over the years. The significance of lives lost continues to resonate with families throughout the world. This year we remember the work of the Royal British Legion who have been so supportive of our service personnel throughout the years. We must continue to remember lest we forget the sacrifice made for us.

Despite the negativity we are all reading and hearing currently, there is much to be thankful for. Much for us, who have much, to consider within our societies. There are people who have far, far less than we do. It is an opportunity to remember them and to do, or help others to do, as much as we can for them to improve their situation.

Henry Newman said, **'He did not lose his place in the minds of men because he was out of their sight.'** He was speaking about Jesus but we may also attribute this to the people we have lost over the year and to the people who may be missing out this Christmastide. May they continue to hold a place in our hearts and our generosity as we work our way towards the end of 2021. With peace, love and joy for the coming months **Revd Cilla**

Benniworth Dog Show held on Saturday 28th August

We were lucky to have a glorious, sunny day. The dogs and their owners were well behaved and a great time was had by all! With thanks to those who contributed especially Sue Montgomery for her help with the organisation; Gill Hancock for running the Tombola, Bella Campbell and Liz Gladwin for keeping us fed and watered and of course the Judges, Alison Nickerson, Chris and Nick Nassau.

The dog show raised £280 for Nepal and £200 for St Julian's Church.

The Best in Show with the highest scores in both rings was Mr and Mrs David Hansell's bitch, Dido.

The photo shows Jemima Chetwynd-Talbot with her dog Muffin, winner of the Fancy Dress. (In the background is Simon and Diane Lidgard, from Post and Pantry with their dog Harry who won several awards).

Gillian Stewart

"Tried this place for the first time, meat is on a different level, and the butcher knows his stuff"

St Julian's Jolly held on 14th August .

A great success, despite limited time to prepare, and other limiting issues with the church building.

A series of difficulties with the grass maintenance was overcome wonderfully by the sterling team's effort just in time. Well done indeed!

Good weather blessed us, but of course sadly kept some busy with their harvesting. Others isolating, and some were catching up with family and friends after a tedious period of restrictions.

Around 80 visited, dining on strawberries and chilled prosecco, hot tea and wonderful cake. Various wares for sale and the essential raffle, ball games on the grass for those with energy, and plenty of chat. St Julian's team would like to take the opportunity to thank all those whose hard work made the day possible and go with such a swing.

The event and donations raised a princely sum of £710 which was added to by Gill Stewart's very generous £200 from the dog show.

We hope this will kick start a covid recovery for the village and help towards the creation of a village community hub that we lack. Next step – carols in the churchyard with Mince pies and mulled drinks!

Jennie and team: St Julian's

A prayer for those affected by coronavirus

Keep us, good Lord under the shadow of your mercy.

Sustain and support the anxious, be with those who care for the sick

And lift up those who are brought low: that we may find comfort

knowing that nothing can separate us from your love

In Jesus Christ our Lord

Amen

(The Church of England)

Asterby & Goulceby Parish Council

MEETING HELD 2ND SEPTEMBER 2021

The Council were pleased to receive an application for one of the current vacancies from Jon Mold who lives in Goulceby. His experience includes, Further Education, finance, property, governance, legal, IT and HR. Jon was co-opted onto the Council and we look forward to having him on board.

The Council considered whether to purchase a Noticeboard for Asterby as currently notices are pinned to a tree on the triangle. The purchase was supported in principle and three quotes will be obtained for consideration at the next meeting.

It was noted that no church officiant is available on Remembrance Sunday to hold a service at All Saints, Goulceby. It was agreed that this year money allocated in the Council budget would be used to purchase a poppy wreath from the Royal British Legion. The wreath will be laid at the church just before 11.00 on Sunday 14th November and a 2-minute silence observed. All residents are welcome to attend.

Following an earlier request for a donation from the Air Ambulance the Council discussed whether a grants/donations policy and process would be useful to ensure fairness and transparency if donating money to good causes. It was noted that no requests have been received from local groups to support active hobby clubs or groups in either of the villages so we don't know if there would be value in adopting a scheme. **We are seeking the views of residents** as to whether there would be support to raise the precept to set aside money in the annual budget for a small grants scheme to support local groups for the benefit of the Parish. Your views on this would be much appreciated and you can contact the Clerk or any of the Councillors via details on the website.

We reviewed progress against the Annual Action Plan 2021-22. The Chalk Stream project had not been organised, but this was mainly due to COVID restrictions; the litter pick had been discussed throughout the year, but not held as it was felt that there has not been a litter issue; the footbridge over the ford has been replaced and new signage installed; the new website has been developed and is being actively used; the PC continues to keep residents informed via the local newsletter; the adequacy of litter bins and dog waste bins continues to be monitored following the installation of the additional bin; it has not been possible to identify any suitable alternative venue for the PC meetings in either village.

Donington on Bain Parish Council

News from the Parish Council

The Parish Council continues to repair the playground and will apply for lottery funding again for a new playground once the COVID situation has passed. We are looking at solutions to clean the moss from the MUGA.

The Parish Council have finally been successful in getting a "Not Suitable for HGV" sign at Welsdale Road. We have been campaigning for some time to get this issue addressed as many Sat Navs take vehicles up this route. Pot holes have also been filled on Welsdale Road.

We discussed the possibility of a leaflet promoting walks around the village. Some funding is available from East Lindsey District Council and there are existing leaflets which could be used or adapted. Discussions regarding this are at an early stage. We are aware of budget constraints. We are also looking into the costs of car park provision for visitors and school drop off but this is at an early stage and we are again aware of budget constraints. The Parish Council is looking at ways to address parking in the village.

Allotments have been very popular last year and we now have a waiting list. All allotment holders have been reminded of the need to keep their allotment in a clean and tidy condition. If anyone is interested in renting an allotment, please contact the clerk.

If anyone has any issues or suggestions, please contact the clerk on doningtononbainpc@gmail.com (or 07795822701) or alternatively contact a councillor.

Donington on Bain Village Hall

With the gradual lifting of restrictions Donington on Bain Village Hall is enjoying a resurgence in hiring's slowly coming back to normal.

We took advantage of the lockdown last year and this to have some work done on the hall.

There was an issue with damp on the back wall in the toilets, and with thanks to Mark Furminger, he did an excellent job in remedying this and replacing defective guttering. It all looks very good now.

Thanks also goes to the neighbours, Phil and Margaret Taylor for allowing us access to the rear, Adam and Victoria at the Black Horse pub for also allowing access and Barry for donating sleepers to finish off. Some of the windows are in process of being replaced. The two front ones have been completed and we are patiently waiting for the arched window and kitchen window to be done.

There is now a regular Baby and Toddler session on Monday mornings and a Yoga class on Thursday evenings. The yoga class however is not expanding at this present time. Unfortunately, the very popular Pilates class will not be returning. If there is anyone out there willing to set up any form of exercise class especially Pilates, it will be well received.

The hall is very versatile with plenty of room at reasonable rates. It is proving very popular for children's parties.

Next year is looking very promising with another popular Race Night.

We are always on the lookout for enthusiastic people who are interested and keen to keep our lovely hall thriving in this busy village. Many thanks to the volunteer members of the committee who do such a great job of looking after the hall.

For enquires and bookings contact Barbara Mohan 07540895283, Kathy Olsson 07703739628 or Sally Cosgrove 07930112369

Correspondence was received about a new project via ELDC called the Local List Campaign. Lincolnshire are seeking to compile a list of heritage assets identified to have local significance. This is a volunteer driven project and they are seeking local people to nominate those assets. To find out more please visit Lincolnshire Local Listing Campaign - Heritage Lincolnshire or contact the Project Officer felix.mayle@heritagelincs.org or Emilie.Wales@e-lindsey.gov.uk

Full planning permission has been granted for the erection of a field shelter at Sunnyside Farm, Goulceby Lane and an extension at Kirkmicheal, Asterby End.

The next meeting will be held on **Monday December 6th, 7.30 pm** at the Three Horseshoes

Tea, Cakes and Crafts

Come and enjoy an afternoon of tea (or coffee) and delicious homemade cakes

Donington On Bain Village Hall

Saturday 27th November

2.00 pm 'till 4.30 pm

We will also be hosting tables for any to display and sell homemade crafts and gifts. All woodworkers, knitters, jewellery and card makers, pet portrait painters, glass artists, wreath designers, weavers, embroiderers, photographers and any other artist, crafter or maker welcome.

Tables are £5 per crafter. Please contact Kathy Olsson, The Cottage, Main Road, Donington on Bain, Kathy@e2bn.org to book your table.
