Priestly ponderings

I am writing this in July with the sun beating down on the flowers and trees in our garden and in the surrounding countryside. It never fails to amaze me that our world is so beautiful and God is so good to us, helping the world to change and glow in autumnal colours. By the time you read this everything around us in the countryside will be on the change into the wonderful colours of gold and red. Of course in September and October we begin to think about Harvest Festivals and this year they will be many and varied in our part of the county. We shall hold them in village halls, churches and places of refreshment (Yes it may be in your local!).

The history of harvest goes back hundreds of years to a time when people did not do it 'religiously' but did it to thank 'The God' for a harvest, for food for the winter months and for getting together to bring the harvest in. It was a real time of community. I hope that after the wonderful Jubilee celebrations and despite the COVID continuation we shall be enjoying our community gatherings this year. We shall collect food items for one of the local larders so if you come along, please think about donating something that would be useful for the people who still need our support to get through the week. We shall sing songs and by the grace of God receive blessings and give thanks for all we have.

We will also have our churches open on 3rd and 4th of September so take an opportunity to acquaint yourself with your local church or one further afield. Each church is unique in its style and building, a place of beauty in a magnificent countryside. You will receive a warm welcome and even a cuppa and a piece of cake in some places. Look out for the adverts around that time.

We've lots of other community events in September. We will begin a Craft group in Donington Village Hall on the third THURSDAY of the month.

If you are a LEGO fan, we are holding a LEGO club on the first Saturday of each month beginning on 3rd September in Donington Village Hall. We will have Lego for folks to use and lots of fun building and creating. So come along or bring the family too.

All these events are designed to build up our community once more and for people to feel confident in coming together. It is a Christian imperative that we should be together in community and Jesus, during his ministry, encouraged it at every turn. We love any excuse to get together so come along to our harvest festivals and join in.

As we bring in the harvest and the abundance of fruits and vegetables this season, may God bless you and keep you safe.

Every blessing, Revd Cilla.

Donington-on-Bain Village Hall ...

Donington-on-Bain is extremely lucky to have a large and well-appointed Village Hall. It is a great community asset maintained by a small group of volunteers. Community events are held at the Hall and it is also available for hire by individuals and groups.

Despite having been closed for most of the last two years a lot of work has gone on. This has included the fitting of new windows and guttering, the digging of a 'French drain' to relieve a problem with damp and repairs to the gate have been made. The inside of the Hall has also enjoyed some attention: the toilets have been redecorated, a new industrial-sized cooker has been installed and a collection of historic images of the village has been displayed.

Whilst maintaining the fabric of the building is important, it is pointless if the building is not used and enjoyed by the local community. The Village Hall Committee has a number of public events in the diary

Many of you will have attended the splendid Jubilee Tea organised by the Village Hall Committee. Many thanks go to the band of volunteers who made or provided a selection of delicious sandwiches and cakes. Your generous donations raised £183 for the Hall. There is a regular coffee morning held on the first Thursday of the month and from September there will also be a 'craft and chat' session held on the third Thursday of the month.

Our second annual Tea, Cake and Crafts event will be held on the 19th November. Last year's event was very well attended. The standard of the crafts on sale was very high and many people left the event with a truly unique present for a loved one.

We will finally be holding our twice postponed Race Night on 22nd October. The previous event held was a great success with many members of our community enjoying a 'flutter on the gee-gees' and raising valuable funds for the maintenance of the Village Hall.

Other plans for the coming twelve months include the possibility of a wine tasting event, another tabletop sale, a scarecrow festival and at least one village tea party. **Keep an eye on our Facebook page** and the notice board for more details of these events.

In addition to these public activities, the Hall can be hired by groups and individuals for a variety of activities: there is a regular yoga class and a mother and toddlers group. The hall is also used by the Parish Council for their monthly meeting and by a local band as a practice space. The Hall also makes an excellent and inexpensive venue for a range of social activities. It is a great place for children's parties, christening and marriage celebrations.

If you would like to hire the Village Hall for your own one-off event or would like to organise a regular booking please contact our booking officer **Barbara Mohan on 01507 343460** email : babsmohan@hotmail.com

The two main areas that are in need of repair are the children's playground and tennis courts.

The slats at the wooden bridge on the children's playground are deteriorating. We have received a quotation from a local company to provide the replacement slats for the wooden bridge. Cllr Wright has agreed to arrange the installation of the new wooden bridge at the playground and we are very grateful for this. We are also grateful to Andrew Butt who carries out weekly inspections of the play area and MUGA during summer and bi-weekly inspections at other times.

The MUGA/Tennis court is also deteriorating.

The Parish council is seeking funding for repairs needed to the tennis courts/MUGA. Enquiries are being made with activelincolnshire to request funding but we have experienced delays. The Parish council did not want to spend funds cleaning the moss from the courts if we were able to receive a grant to refurbish the courts.

The Parish Council is discussing producing a walks leaflet to be distributed in strategic areas around the village. For this project there could be funding from the ELDC. There is also a commitment to a donation from a local business.

The Parish council have decided to plant spring bulbs in the Autumn on Parish Land to add some colour to the village.

If there are any issues or requests for village improvements please contact either the clerk Mrs Viv Davies or a councillor.

Christmas Card Design Competition

The Bishops' Office

Dear Friends,

Whilst your minds will most likely be focused on your summer breaks, we would like to warmly invite you to participate in designing this year's Christmas card. We suspect there are many budding artists, designers and photographers – perhaps even cross-stitchers – amongst you who may be looking for their next project. The chosen card will be sent out to each church in the diocese from the Bishops and Archdeacons. Prizes will be awarded to the winner and to runners-up. The submission date for entries is Friday 30 September. Please ensure that your design is an original piece of work and the size is no larger than 151 mm x 151 mm. Please include a title or description of your artwork, as well your name and parish, which will be printed on the card.

Submissions can be made via email (bishops.admin@lincoln.anglican.org) or posted to: The Bishops' Office, Edward King House, Minster Yard, Lincoln LN2 1PU. Please include your contact details within your submission to ensure that the winners can be notified.

We look forward to seeing a range of creative and inspirational designs from across the diocese and may we take this opportunity to wish you all a restful and refreshing summer.

With our best wishes,

The Rt Revd Stephen Conway, Bishop of Ely Acting Bishop of Lincoln
The Rt Revd Dr David Court Bishop of Grimsby
The Rt Revd Dr Nicholas Chamberlain Bishop of Grantham

PC AGM

Minutes from the July Parish Council & Annual meeting can be found on the village notice boards & on the website. Several issues were discussed that require more background work before full discussions can take place, the topics that will be on the agenda of the September Parish Council meeting will include:

- Village speeding and speeding on the B1225.
- Application for a Tennyson Blue Plaque for the Church.

At the Annual Meeting Phil Dyas resigned as the Parish Clerk leaving a vacancy for this role, he has been co-opted as a Councillor, the current Parish Council is now as follows:

Chairperson: Gillian Stewart, Councillors: David Gilmour, Susan McAllister, Chris Raynor, Sue Olivant & Phil Dyas.

Please remember that there is a Parish Council suggestion box in the village bus shelter for residents to place their ideas/comments/suggestions for the Council to review for those who prefer not to use the email address.

Thanks

There are many people in the village who help in many ways without having official titles, they see a job and get on with it – hopefully you will all have noticed our smart telephone box that has recently been painted by Colin McAllister – a big thanks to Colin for completing this task.

Recycling for Charities

Stamps, foreign coins, notes and postcards & used ink jet printer cartridges can all be taken to the village shelter for recycling.

Prayer Circle

For many years now the ministry and concerns of our Parish have been supported, anonymously, in prayer by a small group of people making up the Parish Prayer Circle. As the needs, both of the Church and World increase, the value and importance of this Ministry of Prayer also increases and we are looking for others to join us in prayer during these troubled and worrying times.

If you think you would like to be part of our Prayer Circle and would like to find out more, please give me a ring and I'll put you in the picture.

In the meantime, if you would like a friend, or a particular situation, to be remembered by our Prayer Circle, do please contact **Sarah 01507 343720** or myself **Anne on 01507 31379**

Life Events in our villages

Baptisms are sometimes called Christenings; this is a service of welcome. It is a way for new Christians to formally mark the beginning of the Christian journey. A person can be baptised as an adult or as a child, and you are baptised into membership of the Church, not into a particular branch or denomination. During the service, we use holy oil to bless, holy water to cleanse, and give a lighted candle as a sign of the light of Christ. Parents and Godparents make promises which affirm their belief in God and their intention to nurture those being baptised in the Christian faith. Some families prefer to have a thanksgiving service for their child. This is less formal but it is still an opportunity to welcome a new baby or a young child into the family. These services are great fun and we do not make a charge for them but ask if you might consider a donation to the church. For further information please contact Revd Cilla or our Administrator

Planning a wedding is an exciting time, and there is a great deal to think about. Whatever stage you are at, we want to help and support you. When a couple get married, they make lifelong vows to each other in the presence of God. In the wedding service we celebrate their love for each other and give thanks to God who is the source of all our loves. The rings that are the symbol of their commitment are blessed, the couple are blessed, and the ceremony ends with the blessing of everyone gathered to support them. It is possible to get married in any of our churches if you have a connection with the Parish. It is possible to marry even if you don't qualify by living in one of the parishes and you can talk to us about that possibility. The village churches are beautiful and surrounded by wonderful countryside. We have opportunities in so many ways to make your day incredibly special. If you would like to discuss being married in one of the churches just contact Revd Cilla or our Administrator initially.

Funerals can be conducted either in church or at the crematorium. When somebody dies, it is usual for the family to contact a funeral director who will then be in touch with us directly to arrange for someone to conduct the funeral. The person taking the funeral will arrange to meet with you to discuss the service and learn more about the person who has died. At the funeral service, we give thanks to God for the life of the person who has died, we pray for the family and friends who are grieving, we commend the departed person to God's eternal care, and we give thanks for God's gift of eternal life. We can, if you wish, help after a funeral with support. We are always there to help our communities.

Craft CLUB

**To be held on the third Thursday in the month
10.15 til 12 noon in Donington Village Hall.**

Crafters are encouraged to bring along what they are doing - crochet, knitting, embroidery or working with stone painting or card making - anything they are doing. The idea is to share and encourage anyone who would like to take up a craft. I hope that we can have a good chat while we are doing whatever we enjoy as a hobby.

But you don't have to bring something you might like to find out how to do a craft. We are open to whoever turns up. During October and November, I hope we can do some Christmas preparations. I hope to get someone to show us how to make door wreaths and Christmas decorations.

Everyone is welcome there will be a cuppa and a biscuit or two or even a piece of cake!
